## **DETAILED ACTION**

### ***Information Disclosure Statement***

1. The information disclosure statement filed 6/1/04 has been received and made of record in the application file wrapper. Note the acknowledged from PTO-1449 enclosed herewith.

### ***Drawings***

2. The drawings are objected to because "108" and "110" is not in Fig. 5 as indicated in para. [0020] of the specification. The above listed inconsistencies are illustrative only. Applicant is advised to peruse the specification and drawings for other inconsistencies.

3. Corrected drawing sheets in compliance with 37 CFR 1.121(d) are required in reply to the Office action to avoid abandonment of the application. Any amended replacement drawing sheet should include all of the figures appearing on the immediate prior version of the sheet, even if only one figure is being amended. The figure or figure number of an amended drawing should not be labeled as "amended." If a drawing figure is to be canceled, the appropriate figure must be removed from the replacement sheet, and where necessary, the remaining figures must be renumbered and appropriate changes made to the brief description of the several views of the drawings for consistency. Additional replacement sheets may be necessary to show the renumbering of the remaining figures. Each drawing sheet submitted after the filing date of an

Art Unit: 3772

application must be labeled in the top margin as either "Replacement Sheet" or "New Sheet" pursuant to 37 CFR 1.121(d). If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

### ***Specification***

4. The disclosure is objected to because of the following informalities:

Page 8, line 13, after "84" insert --(shown in Fig. 4)--; and

Page 9, line 1, after "80" insert ---shown in Fig. 3)---.

The above listed informalities are illustrative only. Applicant is advised to peruse the specification for other informalities.

Appropriate correction is required.
